

Summer Reading 2010

Make Waves

Hey Teens!

Summer Reading is for you, too! Read 15 books or for 15 hours and you will be entered in a weekly drawing (btw, books on CD count, too). You might as well pick up a little bonus for reading all those books you've been assigned over the summer. If you didn't get assigned reading, just think, you get to read whatever you want! Return form by August 31.

Jot down 15 titles or check a box for each hour spent reading!
